NEWSLETTER2018

Dear Member,

We are proud to say thank you to all who participated, sponsored, donated and advertised during our annual fundraising golf day. The event was a success, over 150 players entered this year and it is getting better and better every year. We managed to raise over \$10 000 for club projects. We hope everyone enjoyed the day despite the chilly weather. Next year we want it to be a much bigger and better event and earlier before winter time.

Some of the winners for the fundraising golf competition, over 30 players got prizes.

FUNCTIONS AND MARKETING

Winter outing needs warm venues, Chapman is the place to be every night, and we are treating our guests to a warm, friendly and secure environment.

The main bar with two fire places loaded with lots of wood will make our bar a warm friendly drinking place. We are running liquor promotions and hot snacks are available anytime every night.

Our Friday barbeques are still the best with Beef T bone steak, pork chop, chicken piece and braai sausage in one plate, there is no other place to be at than Chapman Golf Club.

For all your functions enquiries, contact Tabeth on 0242 747487, send her an email on marketing@chapmangolf.co.zw or, better still, pay her a visit at Chapman Golf Club. She will be more than glad to assist you in making your function a memorable event.

Captain's note

A heartfelt thank you to all who supported the Chapman Annual Fundraiser. A total of 153 players participated and we had generous sponsors. Well done to all.

To improve speed of play

on competition days, our drinks attendants on- the- course at hole numbers 6 and 15 will time players to remind them of their pace of play standings. Please cooperate and take heed where necessary. A reminder..... please be punctual on the tees, repair divots/pitch marks, appropriately dispose-off litter and be courteous.

The USGA and the R & A will be introducing new Rules of Golf beginning 2019. The changes are meant to make the game more attractive and easily accessible to newcomers, to speed up play and to ensure the rules are easier to understand. Some of the key changes will be on ball-moved penalties, putting-green, bunker and water hazards rules, pace of play, and player integrity. Detailed information will be made available in due course.

Enjoy the World Soccer Cup. Enjoy the Bar fire and Beer promotions. Enjoy your Golf

Greens and Fairways

This month we focus on golf course maintenance and what we can do to help...and yes we all can do our bit to keep the course in the condition we would like to PLAY on...

Divots a green keepers (and Players) nightmare that is if un repaired.

This is what every golfer aspires to do, but the resultant damage is not pleasant to the eye and unfair to other players.

IS THAT WHERE YOU WOULD LIKE TO PLAY YOUR NEXT SHOT FROM??????

The above illustrations are what SOME players leave behind after a round of golf .

Look after your course and love it as we on the G&F do.....

No.94 Starting Time

Question 1:

A player arrives at the course 10 minutes before their start time of 3.00 pm, changes their shoes in the locker room and gets involved in a discussion about a contentious Rules issue. They then have to queue in the pro-shop for several minutes to obtain a competition score card. They walk onto the first tee at four minutes past three, just as the third player in their group is teeing-off. What is the ruling?

- a) They do not incur a penalty as they arrived before the third player had teed-off and therefore did not delay play.
- b) They do not incur a penalty as they were in the vicinity of the 1st tee before their start time.
- c) They incur a penalty of two strokes in stroke play or loss of the first hole in match play.
- d) They are disqualified.

Answer 1:

c) They incur a penalty of two strokes in stroke play or loss of the first hole in match play.

Note: From 1st January 2012 the penalty statement to Rule 6-3a states;

If the player arrives at his starting point, ready to play, within five minute after his starting time, the penalty for failure to start on time is loss of the first hole in match play or two strokes at the first hole in stroke play. Otherwise, the penalty for breach of this Rule is disqualification.

Rommens, Blignaut, Schrader, Hetherton ????

Question 2:

Three of the players in a four-ball match await the arrival of the fourth player, as the clock reaches their start time. The three players tee off and then the missing player runs onto the teeing ground just as they are leaving it. What is the ruling?

- a) The player is disqualified for being late and may not join the match.
- b) The player's side loses the 1st hole and they must proceed to the 2nd hole.
- c) As the three players had not left the teeing ground the fourth player may join the match and tee-off.
- d) The fourth player may give advice to his partner on the 1st hole but must not play until the 2nd hole.
- e) The fourth player must not give advice or play on the 1st hole but must not play until the 2nd hole.

Answer 2:

d) The fourth player may give advice to his partner on the 1st hole but must not play until the 2nd hole.
Rule 30-3a and Decision 30-3a/2.

Note: The penalty statement for Rule 30-3a, Representation of Side in Four-Ball Match Play, states;

A Side may be represented by one partner for all or any part of a match; all Partners need not be present. An absent partner may join a match between holes, but not during play of a hole.
