NEWSLETTER 2018

Dear Member,

The well maintained greens in town posed on a major challenge to the golfers in this year's Club Championships as players battled with their clubs to become the champion of champions. June is promising to be one of the most coldest winters ever, but we are here to keep your course at first rate condition and always the best for any golfer, with the upcoming Chapman Annual Fundraising Golf Day, the greens are set and good to go.

New Developments,

The Club has managed to acquire a new tractor which will be used to cut fairways and around the greens. We would like to thank all members that continue supporting the Club and paying their subscriptions.

Captain's Note

We successfully ran our Club Championships and congratulations to Tafara Mpofu, our 2018 Club Champ. A big thank you to all the players for participating, we had 158 playing the full two days. Management, staff and the different committees worked hard to ensure the competition ran smoothly, thank you. All the winners will be recognised at the Annual Prize Giving and Awards night to be held in November this year. Please diarise.

In the spirit of the integrity of the game, may I remind every player that it is important to post your score after each round you play, other than the Club Competitions which are handled by Golf Administration. It is recommended every player post their adjusted scores immediately following their round, or penalties may be applied.

All our combined efforts to maintain our course in the finest condition possible are bearing fruit. Sadly, there are some players who are being found in breach by littering, by not smoothening out bunkers, by not repairing divots and pitch marks. The picture below of an unattended bunker was taken during a Wednesday Club competition at hole number eight. A classic example of **unacceptable** golfing behaviour.

Please feel free to forward your comments, complaints, suggestions, and together we can make the Chapman golfing experience even more exhilarating and memorable.

Proudly Chapman

The Ladies Club Championships were held from the 12th – 13th of the same month and the ladies will agree with me that it was a great day for them. An amazing performance from Margret Nyamukondiwa and Danielle Bekker who played their hearts out during their play off but eventually Margret proved to be a better golfer than Danielle. **Congratulations** Margret, our junior golfers are really doing well .These kids are really a delight to watch on the field.
